Helping Establish Other Ministries

Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness.

II Corinthians 9:10

Faith World Ministries. Bartholomew Manjoro believed God was calling him into his own ministry, Faith World Ministries. We sent him \$27,700 for the registration of the ministry and for the start of the building of a church. With the exchange rate in monies at that time, it was more than \$360,000 Zimbabwe dollars. We continued to make contributions throughout the building of the facility. The building was dedicated in 1998 and seats 5,000 people.

Bartholomew asked for our help again in the year 2000, and as God directed we sent \$35,000 in August and another \$35,000 in December for the purchase of 3,500 chairs.
