

2002

Continue the Work

Yea, also I continued in the work of this wall, neither bought we any land: and all my servants were gathered thither unto the work. Nehemiah 5:16

The Coming Decade. Let us not forget what happened on September 11, 2001 (9-11) and what has happened to our country since that day. I have been praying for this country since 1970 and now God has laid upon me the responsibility to carry this country with my faith and encourage others to join me to victory. The responsibility is God's to uphold us, so let's gird up our loins and continue to fight the good fight of faith. That I have done. The days ahead were very interesting. As the facts began to be revealed that citizens of a foreign country, that were invited to our country, tried to destroy us, it just made me more determined to fight with my faith.

Let us proceed and post the history of the years ahead.

Tongue and Interpretation. June of 2002 I was driving with Lisa and we were praying, I was praying in tongues. God anointed part of my tongue to be interpreted (I Corinthians 14). The interpretation was, "Vengeance is mine, I will repay saith the Lord." After the interpretation I said to Lisa, "This is for preachers." Lisa was already beginning to rebel against the purposes of God, and she responded, "No, it's for Water of Life Church." The devil had her tongue set on fire from hell. I said, "It may be Water of Life, but it's preachers from Water of Life and other preachers." It just made her more rebellious. Frankly, her spirit knew she was about to get judged.

Gospel Crusades. We continued conducting the weekly Gospel Crusades with ninety-one meetings this year lead by myself along with other apostles and prophets. There were 50 meetings in Missouri, 37 in Tulsa, 3 in Broken Arrow, and 1 in Louisiana.

Body of Christ's Meetings in the Metroplex. God directed us to begin conducting Body of Christ meetings in the Dallas/Fort Worth Metroplex on Wednesday evenings. The meetings in Garland, Denton, and Fort Worth began October 16th, Farmers Branch, Frisco, and Mesquite began November 6th. The McKinney meeting began November 13th.

A WORK OF RIGHTEOUSNESS

We continued the distribution of the Book of Roman tapes free of charge.

Water of Life Ministries discontinued the half-hour programs in October.
